Office of Legislative Counsel

Thursday - 8 January 1959

25X1

1. Dr. Scoville, [redacted] and John Warner were present at a briefing of the Research and Development Subcommittee of the Joint Committee on Atomic Energy. The subject was the status of the Soviet nuclear-powered airplane. Air Force representatives gave the major part of the briefing. See Memorandum to the DCI for full details.

3/ John S. Warner
JOHN S. WARNER
Legislative Counsel
